

No: IIPHS/2021/Ads/1/54/43

Date: 8th August 2023

Position: Project Assistant

Location: Guwahati

Number of Posts: 1 (One)

Duration of position: One year (renewable based on performance)

About IIPHS:

The Indian Institute of Public Health Shillong (IIPHS) is a northeast regional institute of public health. It was established in 2015 by the Public Health Foundation of India in collaboration with the **Government of Meghalaya** to redress the limited institutional and systems capacity in public health in the North East Region of India. IIPHS mandates include research interdisciplinary education and advocacy.

Project Brief:

The IIPHS is implementing the project entitled 'An epidemiological risk profile of gallbladder cancer in north and north-east India'. The project aims to explore the interaction between genes and the environment leading to carcinogenesis of the gallbladder in the Indian population. This project is in collaboration with the Dr B Borooah Cancer Institute (BBCI) Guwahati, Assam and Post Graduate Institute of Medical Education and Research (PGIMER) Chandigarh

Roles and Responsibilities:

1. Co-ordinate with a healthcare provider, patients and patients' family, hospital and laboratory staff and workers leaders for the purpose of research.
2. Help in collecting data and bio-sample as per research protocol from the participants.
3. Process the samples as instructed by the PI/site Co-PI.
4. Maintain a detailed log of fieldwork and provide weekly reports to the Principal Investigator or immediate supervisor.
5. Assist in maintaining a database and preliminary analysis.
6. Prepare work plan and schedule for research project.
7. Monitor project progress on a regular basis, prepare progress reports and submit the same to management.
8. Identify delays and deviations and accordingly revise the work plan to ensure timely completion.
9. Assist in maintaining documentation for research procedures and findings for management review.
10. Provide assistance in writing research papers, reports, and conference abstracts as necessary.
11. Any other project or institution-related activities as may be assigned by the PI from time to time
12. You will be required to work as per the requirement of the project/location of work

Qualification:

Graduate in any field from a recognized institute/university.

Desirable:

1. Master in Public Health (MPH) or an equivalent degree from a recognized institute/university
2. Knowledge of conducting research
3. Good written and oral communication skills.
4. Knowledge of the local language (Assamese /Hindi)
5. 2-5years of experience in community and research project
6. Experience working in hospitals and with terminal patients
